About this Document

Scope

This document provides details of features and enhancements made to the DIKSHA platform and mobile application for the release version 2.2.0, released on July 30, 2019.

Intended Audience

These release notes provide useful information to:

- State administrators
- DIKSHA PMU

Document Structure

Readers of this document can find specific information within DIKSHA's current broad focus areas of:

- Energized Textbooks
- Assessments
- Teacher Professional Development
- Administration

The enhancements and new features in each of these areas are further classified, based on their use as either for:

- Creation, or
- Consumption

The document also contains a list of reported bugs that have been addressed as part of the release.

Energized Textbook - Creation

New Features and Enhancements

No.	Feature	Description	Roles Impacted
1	Licensing & attribution	The book creation page is enhanced to provide license and attribution details. Refer Book Creation	Book creator
2	UI Enhancements	The creation page has enhanced UI experience while creating, editing and sending the content for review. The pop-up window to create a Book, Lesson Plan, or Upload does not close even when a user clicks outside the pop-up window	Creator
